# WCVM EQUINE CLUB PRESENTS EQUINE ED DAY

DATE: FEBRUARY 1ST, 2025

REGISTRATION CLOSES: JANUARY 18TH, 2025

REGISTRATIONS ARE ON A FIRST COME FIRST SERVE BASIS

This day-long event is targeted toward young riders (aged 6-16 years) to promote horse health and safe enjoyment of our equine friends!

Horse care and wellness topics will be addressed with games, labs, talks, and demos that are created and presented by veterinary students.

We will review common horse scenarios, aim to stretch your boundaries of knowledge, and share new developments in horse health care.
