

WCVm EQUINE CLUB PRESENTS

EQUINE ED DAY

January 10th, 2026

Doors will open at 8:30am with sessions starting at 9:00am

Western College of Veterinary Medicine

(Registration closes January 2nd)

PARTICIPANT: \$25

CHAPERONE: \$20

Who can attend?

Equine Education Day is designed for young people (ages 6 - 16) interested in horses and equine care

Western College of
Veterinary Medicine
Equine Club

Our goal?

This event promotes equine health and education through engaging activities that unite and empower the horse-loving community

What can I expect to learn?

Participants will explore equine care and wellness through **interactive games**, **hands-on labs**, **informative talks**, and **demonstrations** led by veterinary students. Discover a dynamic learning experience enriched by real-world equestrian scenarios designed to deepen understanding, inspire growth, and engage every participant.

Registration

Waiver

Registration is on a first come first serve basis
