

WCVM PetED Talks

NATIONAL DOG BITE PREVENTION WEEK APRIL 11-17, 2021

How can we prevent dog bites?

Virtual public seminar | 7-8:15 p.m., Thursday, April 15

Join WCVM associate professor **Dr. Karen Machin** for a free seminar focusing on why dogs bite, how biting incidents occur and how to prevent bites from happening.

Dr. Karen Machin (DVM, PhD) is a resident in animal behaviour, a veterinary researcher, a lifelong animal owner and a founder of New Hope Dog Rescue in Saskatoon, Sask.
