

HORSE SENSE

Understanding the natural behavior of horses — and what makes them tick

Dr. Sue McDonnell *MS, PhD, CAAB*

What are the top 10 things that every horse owner should know about equine behavior?

Find out more by attending this special seminar with Dr. Sue McDonnell, a certified applied animal behaviorist (CAAB) and adjunct professor at the University of Pennsylvania's School of Veterinary Medicine.

4-6 p.m., Friday, Feb. 14

REGISTRATION: 3:30 p.m.

Hall C, Saskatoon Prairieland Park
Part of the 2020 Saskatchewan Equine Expo

Visit wcvm.usask.ca (Events) or saskatchewanequineexpo.ca for more details.
