

**Western College of Veterinary Medicine (WCV.M)**  
**University of Saskatchewan, Saskatoon, Saskatchewan, Canada**  
*Position begins July 15, 2025*

## Description

The Western College of Veterinary Medicine (WCV.M) Department of Small Animal Clinical Sciences is offering a residency position in veterinary anesthesia and analgesia. This position is a standard American College of Veterinary Anesthesia and Analgesia (ACVAA)-approved, three-year clinical residency combined with a Master of Science degree based on coursework and a research project. Candidates must have a Doctor of Veterinary Medicine (DVM) degree or equivalent degree. As well, they must have completed a one-year internship or have had general practice experience acceptable to the anesthesiology faculty.

## About the WCV.M and the VMC

The WCV.M Veterinary Medical Centre (VMC) has recently been renovated with new equipment. We operate a 24/7 intensive care unit (ICU) for small animal patients that is staffed with registered veterinary technologists. The VMC also provides anesthesia services to the hospital's exotic pets and large animal sections and our team members are involved with immobilization services for the Saskatoon Forestry Farm Park and Zoo.

The VMC offers specialty services in medical imaging, oncology, radiation oncology, small and large animal surgery, small and large animal internal medicine, dentistry, critical care, nutrition, exotics, sports medicine and rehabilitation. For more information, [visit the VMC web site](#).

Residents will be enrolled in the University of Saskatchewan (USask) College of Graduate and Postdoctoral Studies (CGPS). As such, they must meet the university's requirements for entry and are responsible for the associated application and tuition fees. [Visit the CGPS website](#) for more details.

Formal applications including CV, letter of intent, copies of transcripts from all institutions attended and English language scores (if applicable) can be submitted to [charla.penner@usask.ca](mailto:charla.penner@usask.ca). [Click here for further information](#) on English language exams and scores. Applicants should also arrange for three letters of recommendation to be emailed directly to [charla.penner@usask.ca](mailto:charla.penner@usask.ca) by the referees.

**Application deadline:** Nov. 15, 2024, or later if a suitable candidate has not yet been identified.
