

Student Declaration of Absence Due to Illness

Western College of Veterinary Medicine

The Public Health Agency of Canada states that "to help reduce transmission between ill persons and those who are healthy, prompt recognition of symptoms and early self-isolation (stay home) of symptomatic individuals is key. Individuals with influenza-like illness should self-isolate until symptoms are resolved and they are able to participate fully in day to day activities."

TO BE COMPLETED BY THE STUDENT

If you have missed a lab, mandatory lecture, examination or quiz because of illness, complete this form and present it to Student Services.

Contact Information (Please print)

Last Name	First Name	Middle Name	U of S Student Number
Address		City	Postal Code

Missed Academic Requirement(s):

Course name, number & section	Type of missed academic requirement	Date of missed requirement	Instructor

Reason: _____

STUDENT'S DECLARATION

I certify that I was incapacitated on the date(s) given above and did not complete the academic requirements of the identified course(s) listed above. I understand that, as per the Regulations on Student Academic Misconduct of the University of Saskatchewan Council, that "providing false or misleading information with the intent to avoid or delay writing an examination or fulfilling any other academic requirement" constitutes academic misconduct, and if I am found to have done so, that a formal allegation of academic misconduct may be made. (See online version at <https://www.usask.ca/secretariat/student-conduct-appeals/academic-misconduct.php>). I understand that falsification of documentation or misrepresentation can also result in a violation of the WCVm Veterinary Student Professional Behaviour Policy. (See online version at <https://wcvm.usask.ca/students/dvm-program/Professionalism%20Policy%20FINAL%20-%202018.pdf>)
